PERFORMANCE DECLARATION No. 001-PINAY2025/01

1. Product and type: CORK COATING

Elastic coating made from natural cork using special acrylic resins, making it highly elastic to withstand substrate movement. Excellent resistance to weathering. It has a wide range of applications due to its thermal and acoustic insulation properties. It is impervious to rainwater and adheres well to various substrates.

2. Manufacturer's name and contact details:

PINTURAS AYELENSES, S.L., PINAY
P.I. San José, c/ de la Pintura nº8-10
Aiolo de Malferit 46812 (Valencia)

3. Intended uses of the product: MOISTURE CONTROL / COATING

4. System for assessing and verifying the constancy of performance: SYSTEM 2+

5. Name and title of the harmonised standard: EN 1504-2: 2005. Products and systems for the protection and repair of concrete structures. Definitions, requirements, quality control and conformity assessment. Part 2: Surface protection systems for concrete.

6. Notified body: Applus Laboratories. NOTIFIED BODY No. 0370

7. Work carried out by the 2+ system and issued in 2025 with CERTIFICATE No.: 0370-CPR-3507.

PINAY has subjected this product to initial type testing in accordance with the requirements described in Annex ZA of standard EN 1504-2, implementing a production control system and a system for the control of samples taken at the factory in accordance with standard EN 1504-8.

8. Declared performance:

Key features	Performance
Determination of direct tensile adhesion	≥ 0.8 MPa
Determination of water vapour transmission rate (permeability)	Class I
Determination of liquid water transmission rate (permeability)	$W < 0.1$ $\text{kg/m}^2 \cdot \text{h}^{0.5}$

9. The performance of the CORK COATING product complies with the performance declared above.

This declaration of performance is issued under the sole responsibility of Pinturas Ayelenses, S.L.

Aiolo de Malferit, 1 August 2025.

Mr LUIS RAMÓN PALOMERO
(Technical Director, PINAY)
